

The Health Corner/ Le coin santé

Did you know that the Rat River Health Council created The Health Corner? Some interesting facts:

- Officially launched in 1999, with MP David Iftody, MLA Frank Pitura, South Eastman Health's Executive Officer Reg Toews and our Foundation presiding as the main funders.
- The Goal: To become an exemplary tool for health promotion, education and prevention – as developed by and for the community - and empower individuals to take care of their health.

- 1st Coordinator: Sol Desharnais designed shelving, logo and promotional pamphlet for De Salaberry District Health Centre. Shelves were filled with bilingual resources and bi-annual programming was initiated.
- 2nd Coordinator: Cécile Lesage took things to the next level with public access computer, partnerships with libraries and many organizations within and beyond our communities. Her programming focused on our communities' needs.
- Today: Southern Health RHA manages the Health Corner along with others they have created in many other communities. Ann-Marie Desharnais is the Coordinator. **Coming soon : A link to Health Corner on our new web site.**

Saviez-vous que le Conseil de santé Rivière-aux-Rats a créé le Coin Santé? Voici des faits intéressants :

- Dévoilé en 1999 par les bailleurs de fonds : gouvernement fédéral et provincial, Santé Sud-Est et la Fondation du Centre médico-social De Salaberry. Le but: Un exemple pour l'éducation, la prévention, la promotion pour la santé.
- Le premier coordonnateur fut Sol Desharnais. Il a créé/rempli les étagères, le logo et a lancé la programmation.
- Cécile Lesage a pris sa place et ajouta un ordinateur à accès public, et plusieurs partenariats y inclus la bibliothèque. Aujourd'hui, le Coin Santé est géré par Santé Sud et la coordonnatrice est Ann-Marie Desharnais.
